FOREWORD

As you turn through the pages of this book, may you wander once more through the memories of the past years, recalling the happiest hours, the best-loved scenes, the valued friends, and may the pictures which we have chosen help to make your memories more vivid throughout the passing years.

Annual Staff

Dedication

To our Parents, Teachers and Friends who have made possible the many educational opportunities and given us the needed encouragement to grasp some of those opportunities, we extend our sincere thanks.

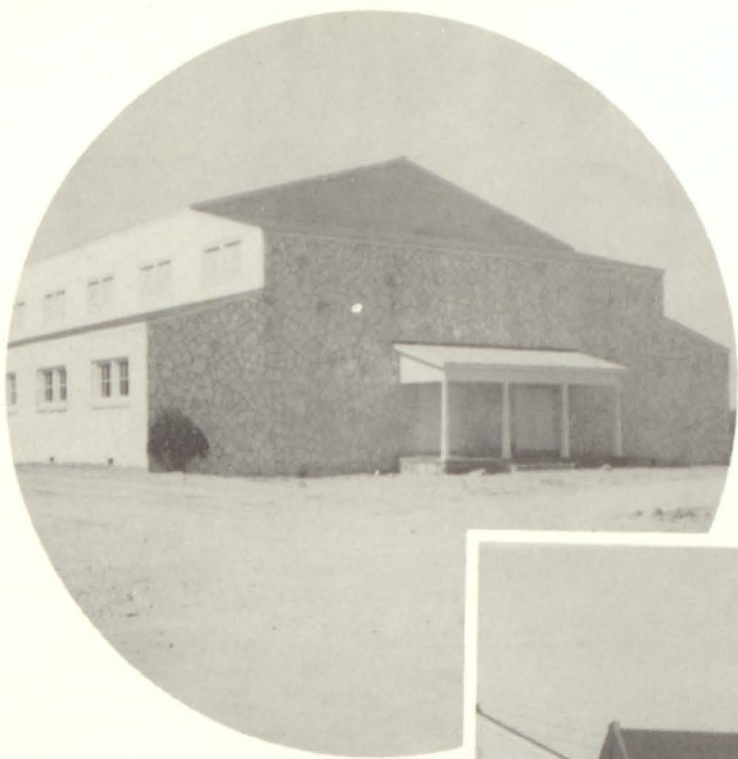

We hope you will be partially compensated by realizing that more and more of your desires and plans for us are becoming realities.

We shall do our best to earn the respect and admiration of you and others as we continue on life's journey.

Superintendent's Message

As the years pass you will find in this book reminiscences of happy experiences, renewal of former friendships, recollections of faces dearly loved but seen only through the deep mists of memory. May each of you remember that, "Life is like a bank one gets from it that which he has put into it plus interest."

Will Elmer Ferguson

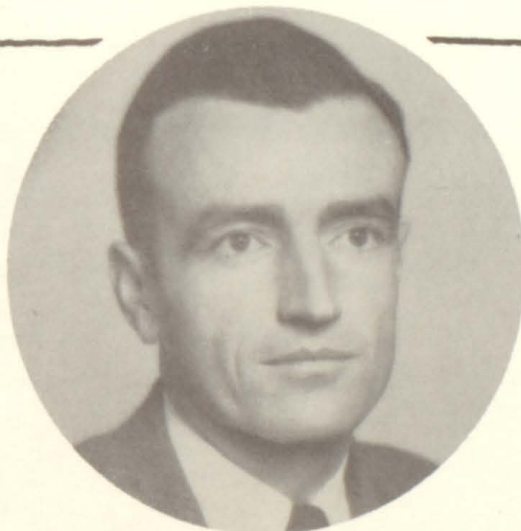

Principal's Message

Congratulations Seniors, for an accomplishment to be proud of. Your success has been achieved by faith and ambitious enthusiasm plus diligent labor and perseverance. By the same formula, you will be able to overcome the many obstacles and stumbling blocks of life and make of yours a success.

Just as your parents, your teachers, and all the people of Buda are proud of you now, our faith in you assures us that we'll be proud of your future.

With you, we send our prayers, our confidence, and our promise that always, we're back of you.

PRINCIPAL'S MESSAGE

I would like to take this opportunity to express my appreciation for the cooperation that has been received from our teachers, administration, students, and community. We in America are fortunate in having free public school education, but remember that each of us has a job to do, for to whom much is given much is expected. We must all strive to preserve our democratic way of life.
