# Dedication

We, the Annual Staff, dedicate this 1952 Bulldog to our Sponsor, Mrs. L. S. Coers. For the loyalty and patience which she has shown toward us while working on the annual this year and in previous years, we wish to express our sincere appreciation.

As you turn through the pages of your 1952 Bulldog, we hope that the classes, organizations, and activities that are portrayed will recall to your mind the happy memories of days spent at Buda High School.

In this annual we hope to preserve many laughable and cherished memories that otherwise would be forgotten.

To the student body, faculty members, and business people we wish to express our gratitude, for your co-operation and support.

To Taylor Publishing Co. our publisher, we wish to say thanks for a job well done.

You might find some imperfection but we know that you sympathize with our efforts in endeavoring to bring you an annual that you will always treasure.

# Superintendent's Message

To The Students:

Much happiness in later life will come from memories of events that occurred during our school days and our annual is your history book of these important events. As it helps to make our lives more pleasant, we shall think very kindly of those on the annual staff and will not forget the effort and work they invested to bring us this enriching portion of our lives.

To The Seniors:

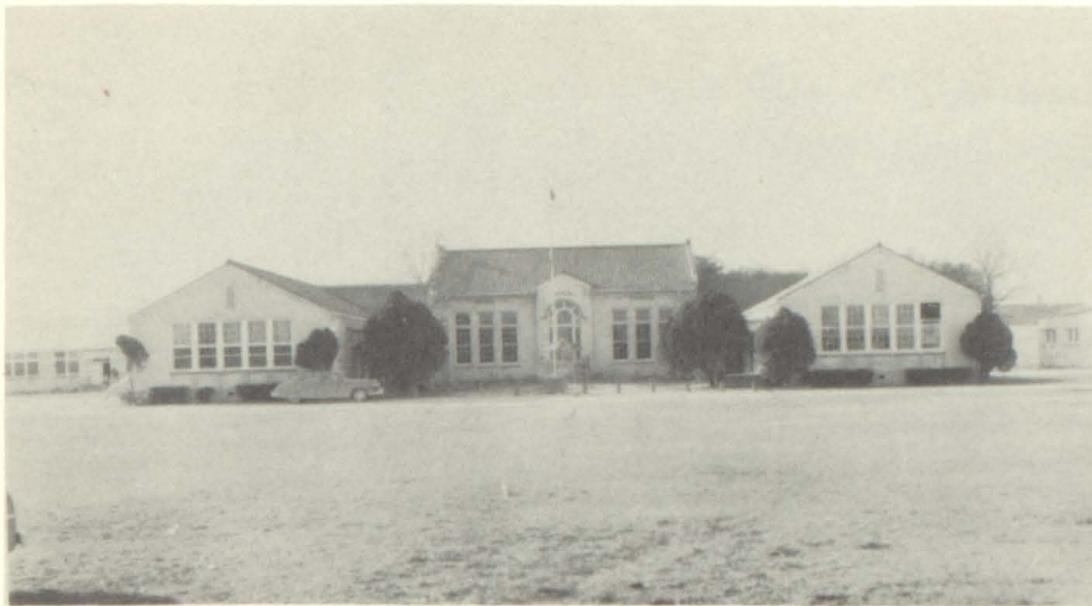

My sincere wishes go with you for a life of happiness, usefulness, and real service.

## *And In Parting We Say*

We hope that as you finish this section that you have relived the athletic events of the year. Although the teams didn't win highest honors, they have accomplished much toward the highest goal of any sport, good sportsmanship and genuine co-operation. We wish to express our congratulations to the pep teams of '51-'52. They have given us real support.

We wish to pay tribute to the fellow who made our team click, the coach. He is the first fellow who gets blamed for a mistake and the last fellow who gets credit. For instance when a team wins the spectators credit the victory to the good passer or runner but when the team loses the spectators start yelling, "We need a coach!" Let us take time out to pay tribute to the fellow who has such a thankless job.
