

The image shows the front cover of a book. The background is a light-colored marbled paper with a swirling, organic pattern. Overlaid on this is a large, stylized sunburst or fan-like design made of numerous thin, light-colored lines radiating from a central point at the bottom. In the center of the upper half, there is a white rectangular label with a thin black border. Inside this label, the text "'53" is printed in a large, bold, red serif font.

### IN LOVING MEMORY OF MISS MYRTLE

It is true she is gone, this beloved friend of ours,  
but she has left us a rich heritage--something  
shining--shining and imperishable--something of  
her spiritual faith, her culture, the definition of  
true friendship and the dauntless conviction of  
loyalty to a worthy cause.

Administration

To The Students:

Memories of the highlights of your school career will be recalled as you turn through the pages of the BULLDOG. May each of you say thanks to the Annual Staff for the excellent job they have done. They have spent many hours in preparing the history of these events for you.

To The Seniors:

May much happiness be yours through the years to come. Remember this motto, "Life is like a bank; you get out of it what you put into it--with interest added."
