FOREWORD

Another year at Buda High School has come and gone. It is traditionally the purpose of the Bulldog to serve as a permanent collection of words and pictures that will remind students of their years at Buda High. As you glance through the pages of this 1960-61 edition of the Bulldog you will live again many of the happy days you spent here. The emphasis is on you, the student - your school, your high school activities, and your athletics program. It is the wish of the 1960-61 Bulldog Staff that you will find all these phases of your high school life faithfully and pleasantly presented here and that you will enjoy this annual to the fullest.

ADMINISTRATION

SUPERINTENDENT'S MESSAGE

To The Seniors: As your class average on tests placed your grade in the top 25 percentile of all senior classes in the United States, I congratulate each of you on your excellent record. May the success you have had continue to be yours in the years that lie ahead.

To The Annual Staff: You have made it possible for us to have this outstanding year-book to bring back the memories of the 1960-61 School Year events. Each student owes you much for your long hours of labor. To each one of you, I say, "Thank You."

PRINCIPAL'S MESSAGE

I would like to take this opportunity on behalf of the entire high school to express our appreciation to the Sponsor and Staff of the 1961 Bulldog. We know it represents a tremendous amount of work and effort.

If I could inject one thought into the thinking of the readers of this yearbook I think it would be that; men who can prove it wasn't their fault are a dime a dozen; those who get the right thing done anyhow are the ones wanted.
