ADMINISTRATION

First, my appreciation and congratulations to the Annual Staff, under the very capable and efficient sponsorship of Mrs. Mary Dietrich, for producing this quality annual and one which I am sure each student of the Buda Public Schools will be pleased to own.

Secondly, my sincere thanks to the entire staff, the student body, and to the Citizens of Buda for their fine cooperation in making this a successful and constructive school year.

And CONGRATULATIONS to the GRADUATING CLASS of 1965; may each of you have a bright and promising future in the many years of which you have to look forward.

HAROLD E. NOLTE

If we have contributed in some small way in helping you to build character and achieve academic success, then this has really been a very successful school year. My sincere thanks to each teacher, student, and parent for your help.
