To all who have contributed toward making the 1965 "Bulldog" a reality, I express my sincere thanks and appreciation. Due to your fine work and co-operation this school year has been most successful and productive.

It is my sincere hope that each student enrolled in the Buda Schools, and each professional staff member employed, will continue to do their very best and strive to make our schools truly outstanding in all respects. By doing so, our school system can be one in which we all can be justly proud.

Sincerely,

Oscar W. Benold

ACTIVITIES

POWDER PUFF

The Powder Puff Football Game provided an exciting time for the spectators as well as for the players. The game was not only an excellent chance for the girls to prove themselves as athletes, but also a chance for the boys to show off their abilities as cheerleaders. This year's game was between the Junior and Senior girls, the Junior team consisting of the Sophomore and Junior classes, while the Senior team consisted of the Freshman and Senior classes. The game was a rough one, but the Seniors were the winners, as they outmaneuvered the Junior team
