

Science Hall Elementary School

Iric Ramos, Principal

Alejandra Valdez, Assistant Principal

Science Hall Parent-School Compact

Students will:

- I will be nice to all my friends
- I will find ways to help others
- I will show kindness
- I will try my best not to give up
- I will read alone and with my family
- I will share with an adult if something is bothering me or someone else

Parents will:

- I will talk to my child about what they are doing in school
- I will encourage active play at home and minimize screen time
- I will serve a variety of healthy foods to enhance body & brain power
- I will ask my child's teacher if they need any help
- I will make sure my child has plenty of sleep
- I will read to my child for 20 minutes daily
- I will help my child with homework sent home
- I will encourage positive and respectful behavior from my child
- I will make every effort to volunteer

School staff will:

- I will help students engage in learning by being prepared and positive
- I will respect my students' different learning styles and provide a variety of learning opportunities that will meet their individual needs
- I will seek to find the best strategies to meet the difficulties my students face
- I will communicate regularly through email, newsletters, and take-home folders
- We pledge to provide several engaging learning opportunities across all content areas
- We will partner with parents in children's educational success
